

MA Case grandMA3 compact

(by Peli)

Art.-No. 4023469

This extremely lightweight, dust proof and high impact-resistant flight case by Peli™ is watertight (IP67 certified) and equipped with a valve for automatic air pressure regulation while keeping water molecules out.

It comes with rugged in-line wheels and a retractable extension handle for convenient travelling. Five press-and-pull latches and two padlockable hasps ensure safe transport of your device. Variable foam plates inside can be removed to place accessories like cable or even a laptop.

The weight of case plus device meet the maximum weight specifications for checked baggage (according to IATA), but always check with your airline for exact measurement requirements.

Technical Specifications

Net weight	11 kg / 25 lbs
